August 6, 2024, at 10:00 am

To Whom It May Concern,

Please accept this as a letter of intent to initiate a recall petition to remove Chris Canales as the Representative of District 8 of the City of El Paso, Texas.

I, Jose Nunez; Linda Peacock; Debbie Welch; and others hereby give notice that we are some of the individuals in favor of a recall petition to demand the removal of Chris (Jorge) Canales from his position as District 8 Representative.

This recall is based on the following reasons:

1. Mr. Canales misrepresents himself to the public stating that he has extensive conversations with his constituents about projects when he does not.
2. Mr. Canales does not inform the residents about projects in their district.
3. Mr. Canales lied about not knowing about a project until April of 2024, when he touted the project to the City Council in January of 2024.
4. When we asked Mr. Canales for information concerning certain projects, he did not give us the information we requested.
5. Mr. Canales seems to ignore the vast majority of residents in certain areas to push his own agenda.
6. Mr. Canales returned neither calls nor emails.
7. Mr. Canales lacks vision for quality-of-life projects in his district.
8. Mr. Canales went against the wants of the El Paso Tennis Club patrons.

9. Mr. Canales's willingness to spend taxpayer dollars frivolously looking for a city manager.

10. Mr. Canales pushed voter-authorized road improvement bonds out into later years when, in fact, we need it now.

Thank you for your time and consideration regarding this matter.
